

FOR IMMEDIATE RELEASE:
Ridewell Adds Design Engineer

Springfield, MO – March 25, 2011 – Ridewell Suspensions is pleased to announce the addition of Paul Bannick to the engineering team. Bannick graduated from the Missouri University of Science and Technology (Missouri S & T) in May 2010, with a Bachelor of Science degree in Mechanical Engineering. As Design Engineer, he works primarily with trailer suspension products and air controls/pneumatics.

“I’m excited to be launching my career at Ridewell. It’s a great team environment, and I look forward to developing products and expanding my engineering skills.” Bannick said.

Director of Engineering Bruce Barton is also optimistic about adding Bannick to the department. “I believe Paul is going to be a great addition to the Ridewell engineering team.”

Paul Bannick

Ridewell manufactures suspensions for the truck, trailer, bus, and RV industries. The company supplies the North American community as well as many other countries worldwide.
