

FOR IMMEDIATE RELEASE:

Ridewell Releases Bushing Replacement Kits for RSS-232-20K

Springfield, MO – June 15, 2011 – Ridewell is pleased to announce the release of two new bushing replacement kits for the RSS-232-20K. These kits – one for truck suspensions, and one for trailer – include hardware, and were created in response to customer requests for a kit containing hardware.

The following part numbers are now available for order: 6040111 (truck), 6040112 (trailer).

Ridewell manufactures suspensions for the truck, trailer, bus, and RV industries. The company supplies the North American community and many other countries worldwide.

For more information contact Ridewell Corporation, P.O. Box 4586, Springfield, MO 65808.
