Ridewell Announces Sales Territory Change

Springfield, MO – Ridewell Suspensions is pleased to announce that Eric Smith has joined the company as North Central Regional Sales Manager. His territory includes North Dakota, South Dakota, Nebraska, Minnesota, Wisconsin, Iowa, Illinois, and Michigan.

Smith has an extensive background in suspension technology and applications. Prior to joining Ridewell he was a regional sales manager for Hutchens Industries, Inc. (Springfield, MO), where he spent nearly 16 years. Over his career, he has traveled 20 states throughout the United States serving the suspension needs of the transportation industry.

Ridewell manufactures suspensions for the truck, trailer, bus and RV industries and supplies the North American community as well as many countries worldwide.
