

# Looking to spark your career?

## Come Ride with the Best!

**Ridewell is looking for dependable experienced Welders to manufacture our trademarked air-ride suspensions. With quality and safety at the forefront, our team members are considered our most valuable resource. Come see why Ridewell employees find a forever home, keeping trucks and trailers on the road across the globe.**

### **Claim your Future Today!**

- Starting Pay is \$19.50 an hour.
- Pay increase at 90-days.
- 1st Shift Openings, hours are 6:00am – 4:30pm scheduled Monday through Thursday
- If mandatory overtime is called it is typically on Fridays
- Benefits package includes 401(k), Health, Dental, and Vision Insurance, Life and Short-term Disability Insurance, Vacation, Personal Time Off, and Tuition Reimbursement.

**About the Company:** For over 50 years Ridewell Corporation has led the industry in the design and manufacturing of heavy-duty truck and trailer suspensions. We are family-owned, family and team focused, and offer great benefits. Ridewell is successful because of the dedication of our employees. Every employee plays a role in making Ridewell a customer service focused company.

### **Major Duties & Responsibilities:**

- Fixture parts and operate robot per work instructions.
- Finish weld parts to blueprint specifications/work instructions.
- Adhere to Ridewell weld procedures and specifications.
- Follow AWS symbols and requirements.
- Perform routine equipment maintenance and cleanup.
- Perform 1st part and in-process inspections to ensure product meets quality standards.

### **Minimum Qualifications:**

- Pass Ridewell welder certification test.
- Blueprint reading.
- Read measuring devices (i.e. – tape measure, hook rule, protractor, etc.).

### **Preferred Skills:**

- 1-year experience in a production-welding environment.
- Experience with lift tables, cranes, hoist.
- Carbon arc experience.

**Physical Requirements:**

- Ability to lift, push, pull weights up to 50 pounds on a regular basis.
- Work 10-hour shifts.
- Standing/walking on concrete floors for long periods.
- Bending and kneeling on a regular basis.

**Performance Measures:**

- Attendance.
- Safety performance.
- Quality of work.
- Production compared to standards.
- Progress of focused factory you are assigned to in relation to company goals.

**Working Conditions:**

Indoor, light manufacturing environment, union facility, in a team-oriented atmosphere with ear, eye, and foot protection required.
